Summer term 2024

Friday 19th April 2024

Dear Parents,

Welcome back! We hope you have all had an enjoyable Easter break and are ready for our final term of the year. We have an exciting term ahead - please see the attached curriculum map to find out what we will be covering.

Polite reminders

Please ensure your child brings a **named water bottle to school every day**. In addition, children are encouraged to bring a healthy fruit-based snack to school to have during the morning playtime to keep them going until lunchtime. Children should also have long hair tied back. As it is now the Summer Term, children should also bring a sun hat and apply sun cream on warmer days (if/when they arrive).

Times Tables

The upcoming National Multiplication Tables check is in just a few weeks' time and we would like the children to be well prepared, so please continue to encourage your child to practise their times tables at home on a regular basis. We recommend 10 minutes of practice, 5 times per week. The following websites enable the children to practise using a format similar to the formal test –

<https://urbrainy.com/mtc/test> or <https://www.timestables.co.uk/multiplication-tables-check/>

Please see an attached document for more information on the Multiplication Tables Check. The check will be carried out during the week beginning Monday 3rd June 2024.

We are really looking forward to the term ahead.

Best wishes,

Mrs Sarah Mills and Mrs Jane Adcock
