

COMPETITION

Dear Children

We have been asked by Mrs Stokes to create a mosaic for the wall outside the front entrance. This will help to make a more welcoming entrance.

We thought we would organise a competition, which anyone can enter, to design a colourful mosaic that illustrates our school.

Your job is to design a simple A4 picture for the mosaic. It cannot be too complicated or detailed as it will be made out of tiles. Your entry must be in by **FRIDAY 11TH MARCH** and needs to be put in the box labelled mosaic competition by the office with your full name clearly written on the back.

Once the entries are in, school council and the rights respecting steering committee will choose the best bits from a range of your artwork to go into the final mosaic design.

We are looking forward to seeing your designs.

Mrs Purdie and School Council
