

Friday Round Up!

20th June 2025

School Vision

*Rooted and Growing in Love:
A culture of kindness in which all can flourish
(Ephesians 3 & 4)*

Well it has been a scorching week at school and it has been lovely to see some sunshine. The children (and staff) have done well to get to the end of the week in such good humour. During this week we had an important visitor to school in the form of our school advisor who regularly comes to check how the curriculums are running and the teaching is going. I am delighted to say she was really happy with all that she saw and as always our children presented the school in the very best light. Thank you to all the staff who work so hard.

We are busy getting ready for Arts' Week next week which is jam packed with wonderful opportunities for the children. Mrs Brickell has been in this week delivering Magic Lantern sessions for all as a starting point. These have been wonderful sessions. We have so many parent volunteers coming in and are so grateful for their support. It has been an epic task for Mrs Adcock to coordinate this and we are all excited. Please remember the children can come in wearing comfortable home clothes that they aren't worried about getting messy. Also bear in mind trips going out will have had a letter about what to wear and PE will still be going ahead.

During the week Year 5 went up with Mrs Crossman to Warminster Prep school on a CSI day, this was a really lovely day with lots of opportunities which I know they all enjoyed. Thank you Mrs Crossman for taking them and Warminster for transporting us and putting in such a great day. At the same time Year 6 went off to the Fonthill Cricket tournament for local schools. I am delighted to say that we won this tournament and all the children played really well as a team. Mrs Miles was thrilled with them as a group and said they were a pleasure to have out of school.

Year 6 also took part in the bikeability course this week. Despite the heat they worked really hard and the two instructors were really impressed with their resilience and progress. Well done Year 6, you are a credit to the school. I am so glad that they are enjoying the special opportunities that they have got in their last few weeks.

I wish you all a lovely weekend and look forward to seeing the children with their best artistic ideas next week. I can't wait to see the results of their endeavours.

Important Term Dates
