

Friday Round Up!

2nd May 2025

School Vision

*Rooted and Growing in Love:
A culture of kindness in which all can flourish
(Ephesians 3 & 4)*

What a lovely second week of term it has been. The children have been on the field all week during play time and lunch time which is a lovely area for them to play. It has been a settled week of hard work from all areas. I must compliment Year 6 who are quickly approaching their SATs but are doing so with grace and determination (I think planning what they want to eat for the SATs breakfast club is helping!) Appropriately my collective worship this week was based around the story of Jesus sharing breakfast with some of the disciples in the beach. We thank Mrs Miles and Miss Hollingbery who give the children a sense of calm as they approach this tricky but short-lived time.

Robins have had a busy week as they are navigating using money, they have done lots of practical activities to support this important area of maths. They have also been busy writing letters and today have been on the computers to much excitement! As well as all of this they have been doing some sketching outdoors. Doves have been showing off the skills they have been learning by doing an excellent piece of writing, and have worked hard on this. The Year 3s also started their swimming adventure. Owls have started their journey through space and are also busy investigating gravity. Whilst the Kites are off to the Alps for their geography topic. The Wrens have been watching their caterpillars growing, no signs of any cocoons yet but watch this space! They have also been investigating seeds this week. They planted a variety of different sized seeds to see if the biggest seed will grow into the biggest plant.

All in all a steady but busy week. I will give a gentle reminder about sun cream for the children while it is so warm particularly if they are out doing PE or forest school. Also thank you for sending them in with a cap or hat, please can ask that these are named so we can return them to their owners. Mrs Cull has been busy adding dates to the FRU, there is lots going on particularly for our older children so please do keep an eye. As always any questions do ask. We hope that you have a lovely bank holiday weekend and look forward to welcoming you back on Tuesday as this half term whistles on!

Important Term Dates

May 2025

Mon 5th: Bank Holiday – School closed
Fri 9th: FOSS – Art craft session (see attachment)
Mon 12th: Year 6 SATs Week

Owls: Dottie and Albie
Kites: Sam

Lots of children are doing really well with their reading hitting 25, 50, 75, 100, 125, 150, 175 and 200 nights. Well done and keep going! I think I need to start buying books.
