*More dates will be added throughout the year,
please keep checking*

Well you can imagine what the main topic of conversation has been this week! But before we talk about that on Monday Year 6 went to the History festival taking part in variety of activities. They were all incredibly well behaved, thank you to Miss Brine and Mrs Miles who accompanied them there. On the same day Year 4 and 5 went off to the Larmer Tree to take part in the session there in readiness for the pageant later in the term. Again, they were all well behaved and we are grateful to be included in this opportunity. Thank you to Mrs Mills, Mrs Marks, Mrs Crossman and Miss Stroud who looked after the children. Sadly, the heat has meant that we have had to cancel all other trips this week. That is except for the year 4, 5 and 6 sleepover which I am waiting for as I type this. As always, I am so grateful to the staff team, Mrs Miles, Miss Short and Miss Stroud for helping with this after such a hot week. I am very grateful for all the support and kind messages this week. It has been challenging to keep the children as cool as possible but we have made it to the end! Next week hopefully will return to normal.

Wrens have been looking at the famous collage of a snail by the artist Henry Matisse. We thought about the shapes he painted and how he made shapes with straight sides look like a spiral by rotating their placement. Some wrens had a go at cutting out gummed paper shapes and collaging them onto paper to look like a snail.

The Robins have had a lovely week and have shown great adaptability with the days looking a little different. They had great fun using our new beebots today as part of their position and direction work in maths. They have also been encouraging them to answer questions using full sentences which has resulted in many stickers being handed out for great oracy.

The Doves have really impressed us with their resilience in working through the heatwave and also for the kindness and understanding they have shown to each other. They continued to enjoy learning about statistics in maths and created their own pictograms and bar charts.

The Owls had a wonderful start to the week at Larmer Tree where they enjoyed a range of activities and met the peacocks! We have also finished our automata toys. The children have coped admirably in the heat and we would like to say well done and thank you to them all!

Year 6's visited the Chalke History Festival on Monday. Highlights of the day were setting off explosives and listening to author Maz Evans talk about her love for history. The children were a delight to take out on such a hot day – thank you!

FOSS news!! Please see attached the news about pick a square raffle! We look forward to welcoming you all for Sports' Day on Monday!

Mrs C-C's Nights of Reading Challenge will be drawing to a close on Sunday 12th of July.

Please keep reading!

Also thank you for the donations of books. All are appreciated and we are happy to take more.

Award Winners – to be awarded on Tuesday!

Wrens: Teddy and all the Wrens!

Robins: All of Robins!

Doves: All the Doves and the Marvellous Miss Brine!

Owls: All of Owls!

Kites: All of Kites!
