Mon 26th – Fri 30th: Half Term

New dates will be added throughout the term.

School banner!

Each year the year 6s visit the Cathedral for their Leavers' service. We have been borrowing a banner from the church which is lovely but is actually a WI one! If you felt you had skills to help us make a Semley school banner please let us know!

Lots of children are doing really well with their reading hitting 25, 50, 75, 100, 125, 150 and 175 nights. Well done and keep going!

Well done to all those who entered the Easter Crafts displayed in the Church, I was glad I don't have to judge them!

Welcome back to Semley for the summer term. It is lovely to welcome the children back to school looking so rested and ready to learn. I have enjoyed hearing about some of their adventures over the Easter break.

There is lots going on this summer term therefore keep an eye on the dates on the side of this Round Up as more will be added as we go through. In particular Year 6 will be busy with SATS and then the trips that Mrs Miles has organised for them. Please do ask if you have any concerns. We look forward to Sports Day and also Arts week, always great school events.

Talk about hitting the ground running Owls and Kites came back on Wednesday only to go straight out on a coach to the Bath and West show ground. I know that they all very much enjoyed the Field to Food day there trying different things to eat and seeing different areas of food production. Thank you to Mrs Miles, Mrs Mills, Mrs Crossman and Miss Hollingbery for taking them on this trip and our parent helper Mrs Carter for lending a hand.

Robins have been busy this week planting their new tyres and we are so grateful for the donation of these. Hopefully the tomatoes will grow well!!! Robins have also started their new topic, 'Let's be Explorers'. A massive thank you to Miss Ankers who has created an amazing aeroplane which is flying through Robins' classroom at the moment with its teddy bear pilot. We are also learning about money in maths so any exposure to coins whilst shopping would be greatly appreciated.

Doves did some wonderful cave painting this week as they start their journey around the Stone age this term. Their drawings were brilliant! Wrens have settled back into class really confidently as they spend their last term in Reception – where did that time go? At the other end of the school the Year 6s are gearing up towards their SATs and I know they are all working really hard. We are very proud of them and their efforts.

I was delighted to give out some Gymnastics certificates and Badges from the Gymnastics club last term. We look forward to gymnastics returning in September. Thank you to Mrs Cull who has organised a great selection of clubs this term. Lots for all to enjoy. Have a lovely weekend.
