We have had a very productive week in school with lots of hard work going on in all the classrooms. As you read this many of your children will be involved in the Mother's Day Crafts organised by FOSS. As always we thank them for their involvement and hard work to support the children at Semley. Not only the people here today but the lovely team who have organised this, particularly we mention Maisy's mum who has made lots of cupcakes, Maisy tells us they are everywhere at home. We hope you like your gifts!

A highlight for me this week was welcoming in the mummies of the Wren children who had prepared a tea party. It was a lovely afternoon which created much excitement in Wrens. Wrens really enjoyed making queen cakes for their Mother's Day Tea party. They also sang a couple of songs to thank our mummies for all that they do. Thank you to Mrs Hancock and Mrs Keeble for supporting Wrens through this and also Mrs Keeble for battling with our tricky oven! We hope you had a lovely afternoon.

Thank you to Mrs Mills who organised a great tennis workshop on Tuesday which the children really enjoyed. They all had the chance to have a go at this sport and I wonder how many will take up the opportunity for the club next term.

This week, the Doves have been developing their food preparation skills: cutting and peeling. They have enjoyed (mostly) tasting a range of seasonal vegetables and will be using them to make their vegetable tarts next week. Thank you very much to all parents who donated ingredients. Kitchen knife skills are such an important thing to develop. Well done Mrs Gambier for being brave! Robins have been busy doing a mould experiment.

We enjoyed welcoming you all into school for the parent teacher meetings this week. As you may have noticed next week is the last week of term and we look ahead to the end of term service on Friday. As always you are all welcome. We hope that you have a lovely weekend and look forward to welcoming the children back on Monday.
