

Friday Round Up!

4th October 2024

School Vision
*Rooted and Growing in Love:
 A culture of kindness in which all can flourish
 (Ephesians 3 & 4)*

Next week you will all have the opportunity to chat with your child's teacher about how they have settled to school and how their work is going. I hope that you all enjoy this, we like to share the information with you to keep you in the picture. We look forward to welcoming you to school.

There is so much going on at the moment in school, Doves are knee deep in the Saxons and I have shared some photos of them making a wattle and daub fence at the bottom, this also inspired some instructional writing. They are also sewing little pouches. We look forward to taking them to the Shaftesbury Abbey next week to continue their learning. Kites have done some lovely Christmas card designs and are really enjoying their Forest School sessions. Robins continue to learn about The Great Fire of London and I know they are doing excellent historian detective work. Wrens are doing really well settling into school and I was lucky enough to spend some time with them this week, they were lovely and I was so impressed with how well they knew the classroom routines.

Throughout the school we are learning our songs for the harvest festival to which you are all invited. The children are doing so well learning the songs and we always enjoy spending time over in the church with Rev Kate. We hope that you will join us.

As the Great British Bake off returns to the television we have our very own version in Semley run by the magnificent FOSS. Please see the attached flyer, will you be the Star Baker? I think I might be the star eater! FOSS are also wondering if there are any volunteers who would like to come and support Lego club next term, this is a very popular club and it would be lovely to run it again.

Although we have Coach Luke who comes into school to teach sport we also have Mrs Rayner who gives Wrens this opportunity and in Owls and Kites Mrs Mills. They have been doing gymnastics this term, I have included a photo at the bottom for you to see. Sometimes I'm lucky enough to have a demonstration of their skills.

Our School Council!
