Friday 17th: Harvest in church 2pm – all welcome
27th- 31st Half term

More dates will be added throughout the year, please keep checking.

I can't believe that we are already in the midst of the first Friday Round up of the year. For those of you new to the Semley School community, this is where I will update you on the wonderful things that the children have achieved over the week and also where you will find a list of important dates. We welcome you to the school and hope that your first two days have been positive. We are also so pleased to see the rest of the children back at school and have very much enjoyed hearing about their adventures over the summer holiday. We are very proud of our new Wrens who have navigated their first few days at 'big school!'

We have a brilliant FOSS (Friends of Semley School) organisation who work extremely hard raising money for our school. They are urgently looking for new member of the group to support with upcoming events or to be on the committee. Please do get in touch if you feel you have capacity to join. The money they raise is used to directly impact the children including improving the playground or adding to Forest School. We are starting the day off strongly this evening with a Parents Cricket match versus Wardour School. Thank you to the team for this event. We look forward to hearing the result!

Over the holiday we have two new additions. I'm sure lots of you spotted the wonderful mosaics which are proudly hanging at the front of school thanks to Mrs Adcock and her husband for hanging these. They are a wonderful reminder of Arts' Week last term. We are also grateful to Mr Mills who has installed a sink outside Owls classroom, the children were very pleased to tell me that this was with both hot and cold water! Thank you to both husband and wife teams for making this happen!

It has been a short but busy week and we hope you have a great weekend and look forward to seeing all the children back on Monday.

Each year we run a challenge to the children (and parents!!) to see who can read for 250 nights over the year. Last year we gave out books as a prize and this year it will be a tea party with Mrs C-C! The Nights of Reading will start next Friday when books and reading records will come out. Final day Sunday 12th July! Which seems like a very long way away. I look forward to having a full office of fabulous readers!

Congratulations to all members of our school community particularly our new starters. Lovely to have you all here!
