Term ends – 1:15pm

Tesco Tokens – In store, raising money for play equipment.
Please support!

We have set our final INSET day which will be on Monday 1st June 2026.

It has been lovely to see the children returning to school after the half term break and they have quickly settled back into the routines of the school day. You can see we have added a large number of dates to the FRU as we head towards the Christmas crazy season. As always please do ask if there is anything you are unsure of.

Across the school this week Wrens have been working on designing and threading their bookmarks, a tricky task! Robins did an amazing egg experiment where they tested the strength of eggs- surprisingly strong! They have also made their cars this week. Doves had a wonderful time doing a history trail around the school. Owls have been learning about the Egyptian Cinderella and Kites are busy preparing for the Remembrance Service next week which I know is going to be brilliant.

The focus of my collective Worship this week was about Safeguarding within school. We discussed with all of the children about the visitors' badges in school and what to do if you see a grown up without one. We also talked about front door safety and about the fact that only grown ups can open the front door. Alongside this we discussed our fire drill from earlier in the week. This is an important part of our methods of keeping the children safe and I am happy to report that Wrens were fantastic, lining up with the rest of the school. The whole school evacuated safely and sensibly.

Next week we look forward to the Remembrance Service lead by the Kites in St Leonards and then Children in Need on the Friday. A sombre start to the week with a silly ending! I hope that you have a wonderful weekend and look forward to seeing the children safe and sound on Monday.

Congratulations to our School Values Award Winners:

Wrens: Angeliki

Robins: Henry M and Isaac

Doves: Edgar and Fred

Owls: Harry and Jessica

Kites: Arthur and Tilda
