Reflecting back to this week what a marvellous job Robins and Doves did of their nativity Prickly Hay. They were simply magnificent. I would like to especially mention the Year 1s for whom this is their first production and the year 3s who have done their final nativity. As always, a huge thank you to the adults who have made it possible, Mrs Gambier, Miss Short, Miss Ankers and Miss Brine not forgetting the fabulous FOSS team for organising the raffle and the wonderful office team for sorting the tickets. I am so glad that my jury duty was finished in time for me to be here for the full week, they have filled my heart with joy!

We have drawn the raffle today during assembly and winner will notified by email or children after school!

During the day today FOSS have been setting up the shop, it looks beautiful and I know that your children will enjoy spending their pennies next week. I thank them so much for all their efforts.

During this week Wrens have been looking after Prancer one of Santa's reindeer who has been recovering after having a poorly eye. He comes to our classroom stable every night to rest and then the next day some Wren stable helpers refill his food and water and also clean up the poo! Well done Wrens. Robins and Doves have been busy with the nativity, they have worked really hard at this. I was also lucky enough to be in doves at the beginning of the week. Owls, Kites and Wrens have been rehearsing hard for the Carol Service we look forward to celebrating with them.

Looking ahead to the final week at school for the term we have a really busy time ahead! The Christmas Lunch including Christmas jumper day on Wednesday and of course the pantomime trip Thursday, thank you again to the wonderful local Fete for helping us provide this opportunity. And then finally please do join us if you are able at the Christingle Service. Have a lovely weekend.

Thank you so much to George Cooper for donating a Christmas Tree to us. You can find them on the A30, SP7 8GU
