

Friday Round Up!

24th April 2026

School Vision

*Rooted and Growing in Love:
A culture of kindness in which all can flourish
(Ephesians 3 & 4)*

It has been a lovely week at school, the children are having a great time on the field at play times and lunch. I have been lucky to attend some excellent training this week which is always interesting although it does mean time out of school! Good luck to anyone involved on the marathon this weekend, the weather looks great for it! On Thursday we sent a team of children to play cricket, thank you to Mrs Cull and Mrs Marshall for taking them. They all had a lovely time and worked really well as a team learning new skills. We hope that you have a great weekend and look forward to seeing the children safe and sound on Monday.

In Wrens we have been learning about where plants come from and what we need to grow well. Mrs Hancock brought in a huge rhubarb leaf which we thought was as big as an umbrella. We went on a plant hunt outside and chose a plant to draw. In Doves we have had so much fun this week learning how to use microbits. We were able to code a program which created a flashing heart. Very impressive indeed! We have also started to explore the Hindu concept of karma.

In Owls we have begun our Geography work all about the coast. We started by looking at features of the coast and you will have received a letter about our upcoming, exciting trip to the Lulworth Cove and Durdle Door, which we are looking forward to very much.

In Robins, we have been loving the sunshine and making the most of the brighter days! In DT, we explored different types of fabric and had a go at weaving, creating some beautiful patterns. In English, we have been introducing verbs, adverbs and questions into our writing, and in maths we have started learning how to tell the time.

In Kites we have been continuing our exploration of electrical circuits; we have been designing investigations into how adding components alters the output. We have been continuing to learn about Hinduism; this week we discussed how the poem 'The Blind Man and The Elephant' explores different perceptions of God. At the end of the week, we enjoyed reading in the sunshine!

Important Term Dates

May 2026

Mon 4th: Bank Holiday – *School closed*
Mon 11th: Year 6 – *SATS week*
Weds 13th: Wrens trip – *Monkey World*
Fri 15th: FOSS Film night - *Tbc*
