

Friday Round Up!

27th June 2025

School Vision

*Rooted and Growing in Love:
A culture of kindness in which all can flourish
(Ephesians 3 & 4)*

Sometimes during the year we have a slow news week where there is not much to report, this week however I'm not sure how we are going to squeeze it all in! The children have had an incredible week thanks to the generosity of parents who have given up their precious time, David the fabulous Mosaic Man, funding from FOSS, the Nadder Valley Young Arts committee and a local charity. This has all been coordinated by the wonderful Mrs Adcock and supported by all of the staff at Semley. I am so grateful to them all for enabling the children to have so many opportunities.

This week Year 6 visited the History Festival. This is always a fantastic opportunity to immerse themselves in history and I know that they had a great day there. Thank you Mrs Miles and Miss Hollingbery for taking them. Year 5 once again made the journey up to Warminster Prep, this time to immerse themselves in languages. They really enjoyed this opportunity. We are grateful to Warminster for inviting us up to this and Mrs Sarsfield for taking them all.

During this week your children have cast their hand, made one or more Antony Gormley figurine, learned a song, learned about portraiture, drawn a self-portrait (better than me), watched and taken part in creating the mosaic panels, some will have made a puppet and much, much more. Last week they all worked with Briony on a Magic Lantern session. We are so excited that some of you will get to come and join us for the song today and the unveiling of the mosaics including the ones for the church and shop. We also hope that you will come to the Semley School Art Exhibition next week. Thank you to Chloe, Susan, Clementine, Rowena, Lou, Briony and David for all their hard work and all the items they have donated.

Looking ahead to next week I have a feeling that Sports' Day could be a scorcher! Sun cream and hats will be essential and please make sure that you child has a water bottle in school with them. We look forward to welcoming you all into school for this occasion. Also, next week we have Move Up Day where we welcome the new Fledglings and everyone gets to spend time in the classes that they will be with next academic year. We hope that you have a relaxing weekend and look forward to seeing lots of you on Monday.

Important Term Dates
